### **74-foot 'Digital Bookmobile' comes to Mission Viejo Library Feb. 22**

The Mission Viejo Library on Sunday, Feb. 22 will host the Digital Bookmobile – an immersive download experience inside a 74-foot, 18-wheel high-tech tractor trailer at Civic Center, 200 Civic Center.

The Digital Bookmobile is a community outreach vehicle public libraries use to promote downloadable eBooks, audio books, music and video. The nationally touring vehicle is a high-tech update of the traditional bookmobile that has served communities for decades.

Readers of all ages are invited from noon to 5 p.m. to participate in a free interactive demonstration of digital downloading. Visitors to the interactive event will receive a coupon for a free library DVD rental.

An added bonus, library cardholders have the convenience of checking out and downloading digital titles day or night by visiting the Internet Branch on the library's Web site at [www.cmvj.org](http://www.cmvj.org).
