Patricia "Trish" Kelley

Mission Viejo Businesswoman/Instructor

Mission Viejo has been my home since 1977, when my husband, Jack, a United States Marine Corps pilot, was assigned to Marine Corps Air Station El Toro. We raised our three children here and have six young grandchildren.

When you elected me as your Mission Viejo Councilmember, I delivered results:

- Successfully navigated the 2008–09 recession, reducing expenditures while protecting services

- Reduced city staff by 12% during 2008-2014

- Reformed pension formulas

- Mission Viejo rated safest city in California; one of safest in United States

- Widened Crown Valley, Alicia, and Oso

- Expanded the Norman P. Murray Community and Senior Center

- Renovated Montanoso Recreation Center, Sierra Recreation Center, Marguerite Tennis Center; added three new parks

- Initiated senior transportation program

- Wrote and implemented award-winning Community of Character Program

- Increased library hours

- Worked with residents to end unfair Mello-Roos taxation

- Maintained city reserves at more than 50% of budget

A public servant rather than a "politician," I volunteer regularly: Compass Bible Church; granddaughter's Lomarena Elementary School classroom; teach sculpting to the blind; Character Committee.

After my third term on the Mission Viejo City Council, I returned to the private sector; but I now ask you to consider my proven track record and send me back to the Council. I will

- Support our police, prioritize public safety

- Protect Mission Viejo's quality of life

- Enhance Mission Viejo's roads, parks, facilities

- Bring new businesses to Mission Viejo
