A 33 year resident, dedicated councilmember, and honest former Mayor, I respectfully seek your vote for a final term in office.

Public safety remains #1 priority. Shall maintain Mission Viejo as a safest city in California.

Proven record opposing high-density housing.

Instrumental in ending lifetime healthcare benefits for councilmembers.

Reduced healthcare and pension liabilities for our residents.

Opposed and successfully rescinded the creation of fire maps that created an unnecessary burden to homeowners.

Worked towards a dedicated center for under-served youth.

Authored resolutions supporting Proposition 13 and The Orange County Veterans Memorial Park.

My 2017 Focus will be:

- Re-Landscape Deteriorating Slopes;
- Oppose High Density Mixed-Use Housing;
- Uphold Current Zoning Codes;
- Playgrounds for Middle Schoolers;
- Maintain our High Community Standards;
- Support and Oversee Marguerite Aquatics Complex Renovation.

I respectfully request to continue to share your values as your public servant.
