I have been a resident of the City of Mission Viejo since 2000. As your Councilmember, I will work to provide proactive leadership for Mission Viejo. My number one priority is to create jobs and work to improve our local economy and to promote capital improvements. I received my B.S. in English from Phillips University, in Enid Oklahoma in 1978 and a Masters in Education Administration from Phillips University in 1979. In addition, I received a Ph.D. in Education Administration from NPU University in 1984, and a Juris Doctorate from Trinity Law School in Santa Ana in 2003. In 2014, I received my Masters of Law L.L.M. from Thomas Jefferson School of Law in San Diego.

I am a strong proponent of giving our local law enforcement and public safety professionals the support and resources they need to protect our community. I believe that a safe city is a prosperous city. I will pledge to work with all residents to provide leadership to turn challenges into opportunities.

My wife and I have been happily married for 23 years and we have three wonderful children together. I also have two adult children from my prior marriage.
