THE ART OF STREET PAINTING

and Much More

1 pm April 28 & 29

Maribeth McFaul, street painting veteran of 20 years, will give an informative presentation and answer ALL of your questions about the *Art of Street Painting*. You might ask “why do artists work on something that is just going to be washed away?” or “how do you create those incredible 3D images?” Ask and Maribeth will answer.

WEAVING WELLNESS

With Jacque Nunez Cost \$5

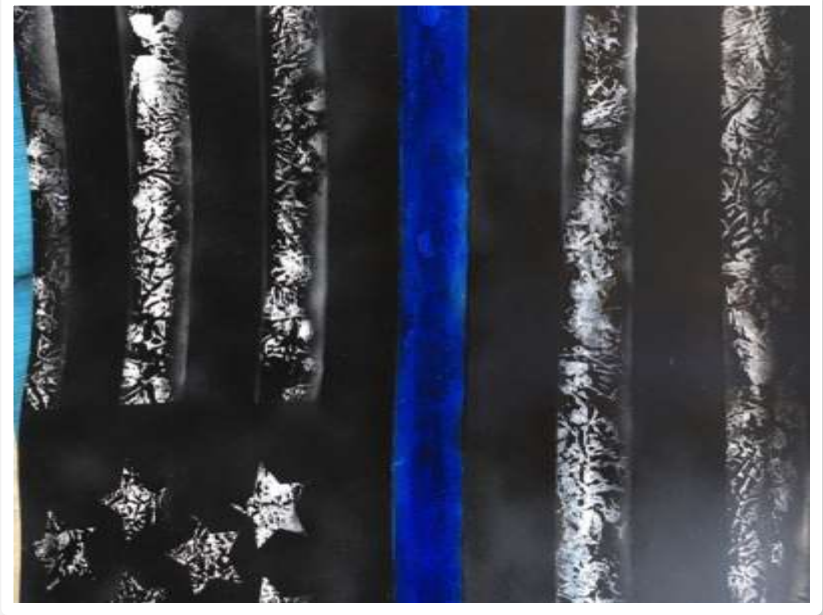

Make a basket and connect your daily struggles with the knowledge that every up and down has a purpose. Be a vessel of service, the greatest gift to your community!

By Jenni'D
Nonaca

April 28 & 29 at 1 PM

Learn a technique for making an art journal using a coptic stitch. Check out other processes for creating your personal journal. This demonstration opens your creativity to a world of unlimited possibilities in journaling and scrapbooking. Kits will be available for sale.

Fairy Garden Workshop

April 28, 2018 - 1 Hour

Kids Make-It & Take-It

1 pm, \$10 General Public

Add a little bit of magic to your home or garden by making your own fairy or gnome garden the day of the Arts Alive and Street Painting Festival! During this fairy garden workshop, we'll be using found and natural materials to make the perfect fairy hideaway. You just need to come with your imagination! Containers, soil and succulent plants are included. \$5 additional for your choice of two pieces. Parents are encouraged to accompany younger kids, Space is limited, so please pre-register!

This creative workshop guides participants through expressing emotions abstractly, using color and paint on canvas. No art experience necessary. Come explore your emotions through color.
