

FREE WI-FI AT CIVIC CENTER COMPLEX

It's a wonderful wireless world...Free wireless service and the ability to extend services to our patrons is a source of pride for the City of Mission Viejo. The Information Technology Department has created a Wi-Fi hot zone at the Civic Center complex including the library, city hall and the surrounding outdoor area. The city has placed itself at the cutting edge of technology by providing information to residents in new ways.

CITY OF MISSION VIEJO

DEPARTMENT OF INFORMATION TECHNOLOGY

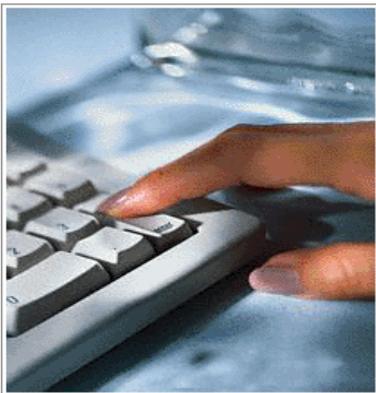

**EMPOWERING
CITIZENS
THROUGH
TECHNOLOGY**

DEPARTMENT OF INFORMATION TECHNOLOGY

The Department of Information Technology (IT) provides the City of Mission Viejo with leadership in both tactical and strategic planning, implementation, and maintenance of information technology utilizing industry's best practices and committing to fiscal responsibility.

IT provides consistent, timely and reliable

technology tools and services to support the City's staff, Council members and residents.

The IT staff manages the City's network infrastructure, telecommunication services including voice, data and video communications, email systems, MDTV Channel 30 access cable television equipment, radio communications, printing and digital photocopying, wireless network (Wi-Fi), library technology center, au

dio/video and voting systems.

In addition, IT is responsible for managing and maintaining the City's internal and external web sites and providing continuous support for all systems which include but are not limited to end user support, training services and emergency preparedness activities.
