REVISION SUBMITTAL:
1. Submit one print with revisions marked in red or highlighted for City Engineer’s review and fee determination.
2. Check print will be returned with any corrections or changes needed.
3. Submit one revised print with the corrections or changes highlighted, last check print, and originals for the City Engineer’s review and approval. Pay any additional fees as required.
4. After revision has been approved, City requires three sets of prints and the approved originals (reduced Mylar set if plans are larger than 24” by 36”).

NOTE: Upon completion of the project, as-built plans are required. See the handout titled “As-Built Submittal Process” available from Public Works.
