Child Passenger Safety Classes

- How to select the right car seat
- How to correctly secure your child in the seat
- Car seat installation tips
- Learn about California Child Passenger Safety Laws

The Auto Club wants to help keep kids safe. That's why we're partnering with the City of Mission Viejo to offer FREE Child Passenger Safety Classes. These classes are perfect for parents, grandparents and caregivers — anyone who transports children under 8 years of age. This class is for adults only.

While we will not be installing your car seat, we will provide resources for local technicians and events. Class also will include:

- **Validated parking**
- **Car Seat Installation Demonstration**
- **Car Seat Giveaway and Goody Bags***

Don't miss this opportunity. Sign up for your free class today.
