

Mission Viejo Library
Homework Help
2017-2018 Registration Form
Program Information

The Homework Help program provides homework assistance to students in Grades 2 through 6 with trained Library volunteers. Volunteers are homework helpers who assist students in understanding and completing their assignments, as well as teaching about various resources available at the Library. Helpers do not guarantee completion of the homework assignments. Homework Help is a free resource. Volunteers will not use Mission Viejo Library Homework Help to advertise any personal tutoring business. Homework Help is open during the academic year on Wednesdays from 3:30 through 5:30 p.m. It will not be available during school vacations.

PLEASE BE ON TIME. Your slot will be released to the next waiting student if you don't arrive at the appointed time.

PARENT COMMITMENT:

My child and I know that Library rules must be followed. The Homework Help program is not a child care program and I (or my child's caregiver, sibling, etc.) agree to stay in the Library building for the duration of my child's Homework Help session. Children who are disruptive will be removed from the Study Room and their parent will be notified. _____ (please initial)

I understand that in order to serve as many students as possible, I must call to cancel if my child won't be able to attend a scheduled appointment, for whatever reason (illness, vacation, no homework, etc.) If I do not call to cancel and this happens three times, my child will need to wait for 12 weeks before scheduling to attend Homework Help sessions again. _____ (please initial)

I give permission for my child to participate in the Homework Help program.
