Signature Resources: We provide a broad portfolio of individual life, disability income, long-term care insurance protection, asset accumulation strategies, and financial products and services for families, businesses, and institutions.

PKSA Karate: PKSA Karate helps develop the skills to give children and families an edge in life. We are one of the largest and best martial arts organizations in the USA. It's not just about kicking and punching but learning how to apply basic principles required to learn these techniques to your life. Basic principles like setting goals, dealing with the anxiety of learning something that seems difficult, persevering through adversity, being disciplined and keeping commitments and the confidence that comes from accomplishment. Want more family time? Martial Arts is good for all ages and is an activity the whole family can do together!

Focal Point Business Coaching: As their trusted advisor and coach, I take small and mid-size business owners, executives and managers on a journey focused on regaining control of their business, making more money faster and validating why they became entrepreneurs. I utilize the unique methodology created by Brian Tracy, world renowned business and sales consultant, business coach and speaker. I believe it is important to change the way we view business. I encourage my clients to embrace innovative ideas, break down barriers, take risks and be creative.
