MEMBER OF THE CITY COUNCIL**

Candidate's Name	Occupation	Age (optional)
Pauline Hale	Real Estate Advisor	53

I am running for Mission Viejo City Council to bring a fresh and professional perspective to our city government.

I chose Mission Viejo as my home for all it has to offer. As your council member, I will work relentlessly to restore trust, fiscal responsibility, and transparency to city government.

My 25-plus year career in commercial real estate and finance gives me a unique perspective and expertise on vital issues to keep our city solvent and maintain jobs and economic activity (maintaining property values, land use development, and lease negotiations). My goal is to improve our amazing city by supporting local businesses and focusing on upgrading infrastructure.

I am a proud daughter of an Air Force combat veteran. I attended California public schools with degrees from Cal State Fullerton (BA-Business), and Long Beach State (MBA). My philanthropic interests include a focus on workforce reentry and training, championing women in business, and solutions for homelessness and the housing crisis.
