

**CITY OF MISSION VIEJO
MEMBER OF THE CITY COUNCIL**

Candidate's Name	Occupation	Age (optional)
Cathy Schlicht	Businesswoman	66

As a 37-year resident, I respectfully seek your vote to restore integrity in local government. I have a proven fiscally conservative record. In 2015, as Mayor, our approved budget contained 50% in reserves. Today, five years later, currently our reserves have dropped to a dangerous 35.7% level. I will only support responsible spending, with the goal to honor public needs over special interests.

Public safety is my Number One priority, and I'm grateful for the courage of police officers who preserve our liberties and the rule of law. Therefore, I support Proposition 20, and will work to return Mission Viejo as the safest city in California.

I will fight to protect Mission Viejo from high-density rezoning of our designated open space, including protecting Casta del Sol Golf Course from development.

A two-year costly election lawsuit has put our city election code into question of compliance. I will address voter rights and work to close existing term-limit loopholes with a term-limit ballot measure.

Will work with our business community to retain, sustain and gain business. I support Prop 13 and oppose more taxes; therefore, I'll vote No on Proposition 15.

Please vote for Cathy Schlicht.
