City of Mission Viejo Proposed
Staggered Election Cycle

If district elections are adopted, it is anticipated that the current election cycle will be maintained.

“Election Cycle

Council members shall be elected in Council Districts _________________ at the general municipal election in 2018 and the general municipal election every four years thereafter.

The Council members shall be elected in Council Districts _________________ in November 2020. Council members elected in these districts shall thereafter serve four year terms and elections shall be held at every general election held every four years thereafter.

The adopted City Council Districts shall be as indicated and remain in effect until subsequently repealed or amended as required by law or deemed desirable or necessary.”
