Growing up with Midwest values taught me to appreciate the community which I have instilled in my children. My wife, a medical professional and I chose Mission Viejo to raise our family because of its sense of community, family values, great schools, and overall quality of life. The first in my family to earn a college degree I understand the importance of education. As a small business owner, I know what it takes to maintain a vibrant business community. Our family loves attending and supporting the community events in our city!

Being elected Bathgate Elementary School Site Council, I have firsthand experience with balancing budgets responsibly.

The leadership in Mission Viejo has remained stable, and now it is time to bring creative, pragmatic, and collaborative solutions. During this unprecedented time for individuals, families and businesses new generation leadership has never been more important.

I will do this through:

- Maintaining a fiscally responsible budget
- Working to increase citizen engagement
- Ensuring our citizens public safety

I will fight to preserve our quality of life while leading us forward towards a better future while accessing all resources available. I humbly ask for your vote and look forward to serving our community!
