An act to add Chapter 22.8 (commencing with Section 22675) to Division 8 of the Business and Professions Code, relating to social media.

LEGISLATIVE COUNSEL’S DIGEST

AB 587, as amended, Gabriel. Social media companies: terms of service.

Existing law requires an operator of a commercial website or online service that collects personally identifiable information through the internet about individual consumers residing in California who use or visit its commercial website or online service to make its privacy policy available to consumers, as specified.

This bill would require a social media company, as defined, to post their terms of service in a specified manner and with additional specified information. The bill would define “terms of service” to mean a policy adopted by a social media company that specifies, at least, the user behavior and activities that are permitted on the internet-based service owned or operated by the social media company, and the user behavior
and activities that may subject the user to temporary or permanent prohibition from using the internet-based service. or an item of content to being actioned, as defined. The bill would provide that failure to comply with those posting provisions within 30 days of being notified of noncompliance by the Attorney General will be considered a violation of those provisions.

This bill would also require the social media company to submit biannual and quarterly reports, as specified, starting July 1, 2022, to the Attorney General. The bill would specify the information required by the reports, including, but not limited to, the current version of the terms of service on a biannual basis, what content violates the terms of service and specify those categories on a biannual basis, service, specified categories of content and what policies the social media company has to address that content, and data related to violations of the terms of service on a quarterly basis. The bill would require the Attorney General to post on its official website all terms of service reports submitted pursuant to those provisions.

The bill would state the intent of the Legislature that a social media company that violates the above provisions shall be subject to injunction and liability for civil penalties, meaningful remedies sufficient to induce compliance with these provisions, and would specify that a violation of these provisions is actionable under the Unfair Competition Law or any other applicable law. The bill would authorize the Attorney General to require social media companies to submit or disclose to the Attorney General any documents or records relevant to information included in the reports required by these provisions.

The people of the State of California do enact as follows:

SECTION 1. It is the intent of the Legislature that a social media company that violates this act shall be subject to meaningful remedies sufficient to induce compliance with this act.

SEC. 2. Chapter 22.8 (commencing with Section 22675) is added to Division 8 of the Business and Professions Code, to read:
Chapter 22.8. Content Moderation Requirements for Internet Terms of Service

22675. For purposes of this chapter, the following definitions apply:

(a) “Actioned” means a social media company, due to a suspected or confirmed violation of the terms of service, has taken some form of disciplinary action, including, but not limited to, removal, demonetization, deprioritization, or banning, against the relevant user or relevant item of content.

(b) “Content” means media, including, but not limited to, text, images, videos, and groups of users that are created, posted, shared, or otherwise interacted with by users on an internet-based service.

(c) (1) “Social media company” means a person or entity that owns or operates a public-facing internet-based service that generated at least one hundred million dollars ($100,000,000) in gross revenue during the preceding calendar year, and that allows users in the state to do all of the following:

(A) Construct a public or semipublic profile within a bounded system created by the service.

(B) Populate a list of other users with whom an individual shares a connection within the system.
