

Crown Valley Parkway Bridge Repairs

Project Summary

OC Public Works will complete routine repairs to the Crown Valley Parkway Bridge to extend its service life and maintain safe operation. Repairs include cleaning the expansion joints and replacing joint seals. Work will occur within unincorporated Orange County adjacent to the City of Mission Viejo.

WHAT

Please note that commuters and other Crown Valley Parkway road users may be subject to delays during construction activities. Lane closures/traffic control measures will be present using “K-rail” barriers and reduced speed limits for the safety of the workers. **Two lanes in each direction will be open.** Please allow for additional travel time as needed.

WHEN

Anticipated Construction Duration

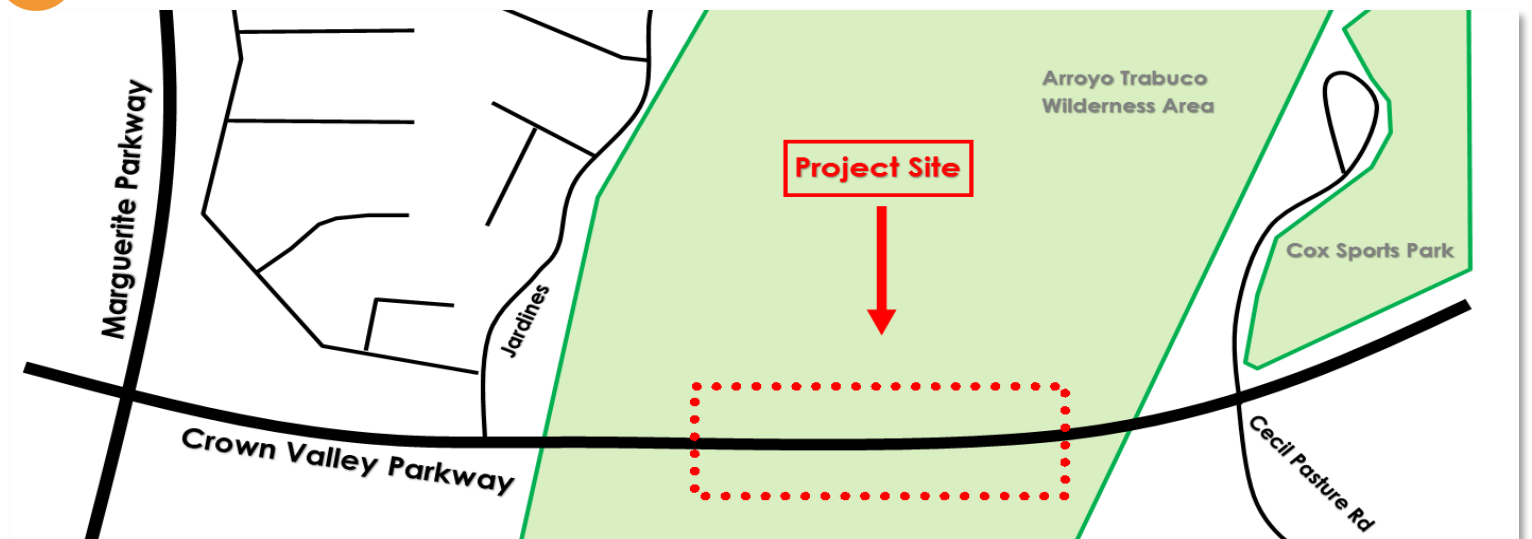

Starting Mid-March 2019 and continuing for approximately six weeks

Working Days/Hours

Monday—Saturday | 7:00 am — 5:30 pm

Work may occur after 5:30 pm at times as needed to complete critical activities. Schedule subject to change due to weather and other factors
