Who is Pitch In For Baseball?

Mission:

Founded in 2005, Pitch In For Baseball® (PIFB) is a registered 501(c)(3) nonprofit organization that provides new and gently used baseball and softball equipment to boys and girls in the United States and around the world who want to play ball but lack the equipment to do so. We are the proven leaders in our industry.

Over the past 9 years, we have given out more than \$3.5 million worth of equipment to help more than 500,000 children play ball in nearly every state in the U.S. and more than 80 countries worldwide.

Programs

Domestic and International Equipment Grants: helps partners around the globe get the equipment needed to play baseball or softball. PIFB averages 200 projects each year.

School Based Program: helps schools and districts continue or expand their baseball and/or softball programs and stretch limited budgets.

Disaster Relief Program: In times of tragedy, children are the most affected. Baseball can help to restore a sense of normalcy amidst the chaos. We have helped dozens of communities around the globe including NY/NJ following Hurricane Sandy; Joplin, MO; the Gulf Coast region; and Japan.
