---

An act to amend Section 65913.4 of, and to add and repeal ~~Section~~  
*Sections 65852.23 and 65852.24* of, the Government Code, relating to  
land use.

LEGISLATIVE COUNSEL'S DIGEST

SB 6, as amended, Caballero. Local planning: housing: commercial  
zones.

The Planning and Zoning Law requires each county and city to adopt a comprehensive, long-term general plan for its physical development, and the development of certain lands outside its boundaries, that includes, among other mandatory elements, a housing element. Existing law requires that the housing element include, among other things, an inventory of land suitable and available for residential development. If the inventory of sites does not identify adequate sites to accommodate the need for groups of all households pursuant to specified law, existing law requires the local government to rezone sites within specified time periods and that this rezoning accommodate 100% of the need for

housing for very low and low-income households on sites that will be zoned to permit owner-occupied and rental multifamily residential use by right for specified developments.

This bill, the Neighborhood Homes Act, would deem a housing development project, as defined, an allowable use on a neighborhood lot, which is defined as a parcel within an office or retail commercial zone that is not adjacent to an industrial use. The bill would require the density for a housing development under these provisions to meet or exceed the density deemed appropriate to accommodate housing for lower income households according to the type of local jurisdiction, including a density of at least 20 units per acre for a suburban jurisdiction. The bill would require the housing development to meet all other local requirements for a neighborhood lot, other than those that prohibit residential use, or allow residential use at a lower density than that required by the bill. The bill would provide that a housing development under these provisions is subject to the local zoning, parking, design, and other ordinances, local code requirements, and procedures applicable to the processing and permitting of a housing development in a zone that allows for the housing with the density required by the act. If more than one zoning designation of the local agency allows for housing with the density required by the act, the bill would require that the zoning standards that apply to the closest parcel that allows residential use at a density that meets the requirements of the act would apply. If the existing zoning designation allows residential use at a density greater than that required by the act, the bill would require that the existing zoning designation for the parcel would apply. The bill would also require that a housing development under these provisions comply with public notice, comment, hearing, or other procedures applicable to a housing development in a zone with the applicable density. The bill would require that the housing development is subject to a recorded deed restriction with an unspecified affordability requirement, as provided. The bill would require that a developer ~~either certify that the development is a public work, as defined, or is not in its entirety a public work, but that~~ *make specified certifications to the local agency, including, among others, that all construction workers will be paid* ~~contractors and subcontractors performing work on the project will be required to pay prevailing wages, as provided, or certify that provided. For specified projects, the developer would be required to seek bids containing an enforceable commitment that all contractors and subcontractors performing work on the project will use a skilled~~

and trained workforce, ~~as defined, will be used to perform all construction work on the development, as provided.~~ *defined*. The bill would require a local agency to require that a rental of any unit created pursuant to the bill's provisions be for a term longer than 30 days. The bill would authorize a local agency to exempt a neighborhood lot from these provisions in its land use element of the general plan if the local agency concurrently reallocates the lost residential density to other lots so that there is no net loss in residential density in the jurisdiction, as provided. The bill would specify that it does not alter or affect the application of any housing, environmental, or labor law applicable to a housing development authorized by these provisions, including, but not limited to, the California Coastal Act, the California Environmental Quality Act, the Housing Accountability Act, obligations to affirmatively further fair housing, and any state or local affordability laws or tenant protection laws. The bill would require an applicant of a housing development under these provisions to provide notice of a pending application to each commercial tenant of the neighborhood lot. The bill would repeal these provisions on January 1, 2029.

The bill would include findings that changes proposed by the Neighborhood Homes Act address a matter of statewide concern rather than a municipal affair and, therefore, apply to all cities, including charter cities.

The Housing Accountability Act, which is part of the Planning and Zoning Law, prohibits a local agency from disapproving, or conditioning approval in a manner that renders infeasible, a housing development project, as defined for purposes of the act, for very low, low-, or moderate-income households or an emergency shelter unless the local agency makes specified written findings based on a preponderance of the evidence in the record. That act states that it shall not be construed to prohibit a local agency from requiring a housing development project to comply with objective, quantifiable, written development standards, conditions, and policies appropriate to, and consistent with, meeting the jurisdiction's share of the regional housing need, except as provided. That act further provides that a housing development project or emergency shelter shall be deemed consistent, compliant, and in conformity with an applicable plan, program, policy, ordinance, standard, requirement, or other similar provision if there is substantial evidence that would allow a reasonable person to conclude that the housing development project or emergency shelter is consistent, compliant, or in conformity.

The bill would provide that for purposes of the Housing Accountability Act, a proposed housing development project is consistent, compliant, and in conformity with an applicable plan, program, policy, ordinance, standard, requirement, or other similar provision if the housing development project is consistent with the standards applied to the parcel pursuant to specified provisions of the Neighborhood Homes Act and if none of the square footage in the project is designated for hotel, motel, bed and breakfast inn, or other transient lodging use, except for a residential hotel, as defined.

The Planning and Zoning Law, until January 1, 2026, also authorizes a development proponent to submit an application for a multifamily housing development that is subject to a streamlined, ministerial approval process, as provided, and not subject to a conditional use permit, if the development satisfies specified objective planning standards, including a requirement that the site on which the development is proposed is zoned for residential use or residential mixed-use development, or has a general plan designation that allows residential use or a mix of residential and nonresidential uses, with at least  $\frac{2}{3}$  of the square footage of the development designated for residential use. Under that law, the proposed development is also required to be consistent with objective zoning standards, objective subdivision standards, and objective design review standards in effect at the time the development is submitted to the local government.

This bill would permit the development to be proposed for a site zoned for office or retail commercial use if the site has had no commercial tenants on 50% or more of its total usable net interior square footage for a period of at least 3 years prior to the submission of the application. The bill would also provide that a project located on a neighborhood lot, as defined, shall be deemed consistent with objective zoning standards, objective design standards, and objective subdivision standards if the project is consistent with the applicable provisions of the Neighborhood Homes Act.

By expanding the crime of perjury and imposing new duties on local agencies with regard to local planning and zoning, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for specified reasons.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.

*The people of the State of California do enact as follows:*

1 SECTION 1. Section 65852.23 is added to the Government  
2 Code, to read:  
3 65852.23. (a) (1) This section shall be known, and may be  
4 cited, as the Neighborhood Homes Act.  
5 (2) The Legislature finds and declares that creating more  
6 affordable housing is critical to the achievement of regional  
7 housing needs assessment goals, and that housing units developed  
8 at higher densities may generate affordability by design for  
9 California residents, without the necessity of public subsidies,  
10 income eligibility, occupancy restrictions, lottery procedures, or  
11 other legal requirements applicable to deed restricted affordable  
12 housing to serve very low and low-income residents and special  
13 needs residents.  
14 (b) A housing development project shall be deemed an allowable  
15 use on a neighborhood lot if it complies with all of the following:  
16 (1) (A) The density for the housing development shall meet or  
17 exceed the applicable density deemed appropriate to accommodate  
18 housing for lower income households as follows:  
19 (i) For an incorporated city within a nonmetropolitan county  
20 and for a nonmetropolitan county that has a micropolitan area,  
21 sites allowing at least 15 units per acre.  
22 (ii) For an unincorporated area in a nonmetropolitan county not  
23 included in subparagraph (A), sites allowing at least 10 units per  
24 acre.  
25 (iii) For a suburban jurisdiction, sites allowing at least 20 units  
26 per acre.  
27 (iv) For a jurisdiction in a metropolitan county, sites allowing  
28 at least 30 units per acre.  
29 (B) “Metropolitan county,” “nonmetropolitan county,”  
30 “nonmetropolitan county with a micropolitan area,” and  
31 “suburban,” shall have the same meanings as defined in  
32 subdivisions (d), (e), and (f) of Section 65583.2.  
33 (2) (A) The housing development shall be subject to local  
34 zoning, parking, design, and other ordinances, local code  
35 requirements, and procedures applicable to the processing and

1 permitting of a housing development in a zone that allows for the  
2 housing with the density described in paragraph (1).

3 (B) If more than one zoning designation of the local agency  
4 allows for housing with the density described in paragraph (1), the  
5 zoning standards applicable to a parcel that allows residential use  
6 pursuant to this section shall be the zoning standards that apply to  
7 the closest parcel that allows residential use at a density that meets  
8 the requirements of paragraph (1).

9 (C) If the existing zoning designation for the parcel, as adopted  
10 by the local government, allows residential use at a density greater  
11 than that required in paragraph (1), the existing zoning designation  
12 shall apply.

13 (3) The housing development shall comply with any public  
14 notice, comment, hearing, or other procedures imposed by the  
15 local agency on a housing development in the applicable zoning  
16 designation identified in paragraph (2).

17 (4) The housing development shall be subject to a recorded deed  
18 restriction requiring that at least \_\_ percent of the units have an  
19 affordable housing cost or affordable rent for lower income  
20 households.

21 (5) All other local requirements for a neighborhood lot, other  
22 than those that prohibit residential use, or allow residential use at  
23 a lower density than provided in paragraph (1).

24 ~~(6) The developer has done both of the following:~~

25 ~~(A) Certified to the local agency that either of the following is~~  
26 ~~true:~~

27 ~~(i) The entirety of the development is a public work for purposes~~  
28 ~~of Chapter 1 (commencing with Section 1720) of Part 7 of Division~~  
29 ~~2 of the Labor Code.~~

30 ~~(ii) The development is not in its entirety a public work for~~  
31 ~~which prevailing wages must be paid under Article 2 (commencing~~  
32 ~~with Section 1720) of Chapter 1 of Part 2 of Division 2 of the~~  
33 ~~Labor Code, but all construction workers employed on construction~~  
34 ~~of the development will be paid at least the general prevailing rate~~  
35 ~~of per diem wages for the type of work and geographic area, as~~  
36 ~~determined by the Director of Industrial Relations pursuant to~~  
37 ~~Sections 1773 and 1773.9 of the Labor Code, except that~~  
38 ~~apprentices registered in programs approved by the Chief of the~~  
39 ~~Division of Apprenticeship Standards may be paid at least the~~  
40 ~~applicable apprentice prevailing rate. If the development is subject~~

1 to this subparagraph, then for those portions of the development  
2 that are not a public work all of the following shall apply:

3 (I) ~~The developer shall ensure that the prevailing wage~~  
4 ~~requirement is included in all contracts for the performance of all~~  
5 ~~construction work.~~

6 (II) ~~All contractors and subcontractors shall pay to all~~  
7 ~~construction workers employed in the execution of the work at~~  
8 ~~least the general prevailing rate of per diem wages, except that~~  
9 ~~apprentices registered in programs approved by the Chief of the~~  
10 ~~Division of Apprenticeship Standards may be paid at least the~~  
11 ~~applicable apprentice prevailing rate.~~

12 (III) ~~Except as provided in subclause (V), all contractors and~~  
13 ~~subcontractors shall maintain and verify payroll records pursuant~~  
14 ~~to Section 1776 of the Labor Code and make those records~~  
15 ~~available for inspection and copying as provided therein.~~

16 (IV) ~~Except as provided in subclause (V), the obligation of the~~  
17 ~~contractors and subcontractors to pay prevailing wages may be~~  
18 ~~enforced by the Labor Commissioner through the issuance of a~~  
19 ~~civil wage and penalty assessment pursuant to Section 1741 of the~~  
20 ~~Labor Code, which may be reviewed pursuant to Section 1742 of~~  
21 ~~the Labor Code, within 18 months after the completion of the~~  
22 ~~development, or by an underpaid worker through an administrative~~  
23 ~~complaint or civil action, or by a joint labor-management~~  
24 ~~committee through a civil action under Section 1771.2 of the Labor~~  
25 ~~Code. If a civil wage and penalty assessment is issued, the~~  
26 ~~contractor, subcontractor, and surety on a bond or bonds issued to~~  
27 ~~secure the payment of wages covered by the assessment shall be~~  
28 ~~liable for liquidated damages pursuant to Section 1742.1 of the~~  
29 ~~Labor Code.~~

30 (V) ~~Subclauses (III) and (IV) shall not apply if all contractors~~  
31 ~~and subcontractors performing work on the development are subject~~  
32 ~~to a project labor agreement that requires the payment of prevailing~~  
33 ~~wages to all construction workers employed in the execution of~~  
34 ~~the development and provides for enforcement of that obligation~~  
35 ~~through an arbitration procedure. For purposes of this clause,~~  
36 ~~“project labor agreement” has the same meaning as set forth in~~  
37 ~~paragraph (1) of subdivision (b) of Section 2500 of the Public~~  
38 ~~Contract Code.~~

39 (VI) ~~Notwithstanding subdivision (c) of Section 1773.1 of the~~  
40 ~~Labor Code, the requirement that employer payments not reduce~~

1 the obligation to pay the hourly straight time or overtime wages  
2 found to be prevailing shall not apply if otherwise provided in a  
3 bona fide collective bargaining agreement covering the worker.  
4 The requirement to pay at least the general prevailing rate of per  
5 diem wages does not preclude use of an alternative workweek  
6 schedule adopted pursuant to Section 511 or 514 of the Labor  
7 Code.

8 (B) Certified to the local agency that a skilled and trained  
9 workforce will be used to perform all construction work on the  
10 development.

11 (i) For purposes of this section, “skilled and trained workforce”  
12 has the same meaning as provided in Chapter 2.9 (commencing  
13 with Section 2600) of Part 1 of Division 2 of the Public Contract  
14 Code.

15 (ii) If the developer has certified that a skilled and trained  
16 workforce will be used to construct all work on development and  
17 the application is approved, the following shall apply:

18 (I) The developer shall require in all contracts for the  
19 performance of work that every contractor and subcontractor at  
20 every tier will individually use a skilled and trained workforce to  
21 construct the development.

22 (II) Every contractor and subcontractor shall use a skilled and  
23 trained workforce to construct the development.

24 (III) Except as provided in subclause (IV), the developer shall  
25 provide to the local agency, on a monthly basis while the  
26 development or contract is being performed, a report demonstrating  
27 compliance with Chapter 2.9 (commencing with Section 2600) of  
28 Part 1 of Division 2 of the Public Contract Code. A monthly report  
29 provided to the local government pursuant to this subclause shall  
30 be a public record under the California Public Records Act (Chapter  
31 3.5 (commencing with Section 6250) of Division 7 of Title 1) and  
32 shall be open to public inspection. A developer that fails to provide  
33 a monthly report demonstrating compliance with Chapter 2.9  
34 (commencing with Section 2600) of Part 1 of Division 2 of the  
35 Public Contract Code shall be subject to a civil penalty of ten  
36 thousand dollars (\$10,000) per month for each month for which  
37 the report has not been provided. Any contractor or subcontractor  
38 that fails to use a skilled and trained workforce shall be subject to  
39 a civil penalty of two hundred dollars (\$200) per day for each  
40 worker employed in contravention of the skilled and trained

1 workforce requirement. Penalties may be assessed by the Labor  
2 Commissioner within 18 months of completion of the development  
3 using the same procedures for issuance of civil wage and penalty  
4 assessments pursuant to Section 1741 of the Labor Code, and may  
5 be reviewed pursuant to the same procedures in Section 1742 of  
6 the Labor Code. Penalties shall be paid to the State Public Works  
7 Enforcement Fund.

8 (IV) Subclause (III) shall not apply if all contractors and  
9 subcontractors performing work on the development are subject  
10 to a project labor agreement that requires compliance with the  
11 skilled and trained workforce requirement and provides for  
12 enforcement of that obligation through an arbitration procedure.  
13 For purposes of this subparagraph, “project labor agreement” has  
14 the same meaning as set forth in paragraph (1) of subdivision (b)  
15 of Section 2500 of the Public Contract Code.

16 (6) A developer has certified to the local agency that it has  
17 satisfied the requirements of Section 65852.24.

18 (c) A local agency shall require that a rental of any unit created  
19 pursuant to this section be for a term longer than 30 days.

20 (d) (1) A local agency may exempt a neighborhood lot from  
21 this section in its land use element of the general plan if the local  
22 agency concurrently reallocates the lost residential density to other  
23 lots so that there is no net loss in residential density in the  
24 jurisdiction.

25 (2) A local agency may reallocate the residential density from  
26 an exempt neighborhood lot pursuant to this subdivision only if  
27 the site or sites chosen by the local agency to which the residential  
28 density is reallocated meet both of the following requirements:

29 (A) The site or sites are suitable for residential development.  
30 For purposes of this subparagraph, “site or sites suitable for  
31 residential development” shall have the same meaning as “land  
32 suitable for residential development,” as defined in Section  
33 65583.2.

34 (B) The site or sites are subject to an ordinance that allows for  
35 development by right.

36 (e) (1) This section does not alter or lessen the applicability of  
37 any housing, environmental, or labor law applicable to a housing  
38 development authorized by this section, including, but not limited  
39 to, the following:

- 1 (A) The California Coastal Act of 1976 (Division 20  
2 (commencing with Section 30000) of the Public Resources Code).
- 3 (B) The California Environmental Quality Act (Division 13  
4 (commencing with Section 21000) of the Public Resources Code).
- 5 (C) The Housing Accountability Act (Section 65589.5).
- 6 (D) The Density Bonus Law (Section 65915).
- 7 (E) Obligations to affirmatively further fair housing, pursuant  
8 to Section 8899.50.
- 9 (F) State or local affordable housing laws.
- 10 (G) State or local tenant protection laws.
- 11 (2) All local demolition ordinances shall apply to a project  
12 developed on a neighborhood lot.
- 13 (3) For purposes of the Housing Accountability Act (Section  
14 65589.5), a proposed housing development project that is consistent  
15 with the provisions of subdivision (b) shall be deemed consistent,  
16 compliant, and in conformity with an applicable plan, program,  
17 policy, ordinance, standard, requirement, or other similar provision.
- 18 (4) Notwithstanding any other provision of this section, for  
19 purposes of the Density Bonus Law (Section 65915), an applicant  
20 for a housing development under this section may apply for a  
21 density bonus pursuant to Section 65915.
- 22 (f) An applicant for a housing development under this section  
23 shall provide written notice of the pending application to each  
24 commercial tenant on the neighborhood lot when the application  
25 is submitted.
- 26 (g) Notwithstanding Section 65913.4, a project on a  
27 neighborhood lot shall not be eligible for streamlining pursuant to  
28 Section 65913.4 if it meets either of the following conditions:
- 29 (1) The site has previously been developed pursuant to Section  
30 65913.4 with a project of 10 units or fewer.
- 31 (2) The developer of the project or any person acting in concert  
32 with the developer has previously proposed a project pursuant to  
33 Section 65913.4 of 10 units or fewer on the same or an adjacent  
34 site.
- 35 (h) For purposes of this section:
- 36 (1) “Housing development project” means a project consisting  
37 of any of the following:
- 38 (A) Residential units only.
- 39 (B) Mixed-use developments consisting of residential and  
40 nonresidential retail commercial or office uses, and at least 50

1 percent of the square footage of the new construction associated  
2 with the project is designated for residential use. None of the square  
3 footage of any such development shall be designated for hotel,  
4 motel, bed and breakfast inn, or other transient lodging use, except  
5 for a residential hotel.

6 (2) “Local agency” means a city, including a charter city, county,  
7 or a city and county.

8 (3) “Neighborhood lot” means a parcel within an office or retail  
9 commercial zone that is not adjacent to an industrial use.

10 (4) “Office or retail commercial zone” means any commercial  
11 zone, except for zones where office uses and retail uses are not  
12 permitted, or are permitted only as an accessory use.

13 (5) “Residential hotel” has the same meaning as defined in  
14 Section 50519 of the Health and Safety Code.

15 (i) The Legislature finds and declares that ensuring access to  
16 affordable housing is a matter of statewide concern and is not a  
17 municipal affair as that term is used in Section 5 of Article XI of  
18 the California Constitution. Therefore, this section applies to all  
19 cities, including charter cities.

20 (j) This section shall remain in effect only until January 1, 2029,  
21 and as of that date is repealed.

22 *SEC. 2. Section 65852.24 is added to the Government Code,*  
23 *to read:*

24 *65852.24. A developer with a project subject to Section*  
25 *65852.23 shall do all of the following:*

26 *(a) At least seven days prior to issuing a bid solicitation for the*  
27 *project, send a notice of the solicitation that describes the project*  
28 *to the following entities within the jurisdiction of the proposed*  
29 *project site:*

30 *(1) Any bona fide labor organization representing workers in*  
31 *the building and construction trades who may perform work*  
32 *necessary to complete the project.*

33 *(2) Any organization representing contractors that may perform*  
34 *work necessary to complete the project.*

35 *(b) Certify to the local agency that all contractors and*  
36 *subcontractors performing work on the project will be required*  
37 *to pay prevailing wages for any proposed construction, alteration,*  
38 *or repair in accordance with Chapter 1 (commencing with Section*  
39 *1720) of Part 7 of Division 2 of the Labor Code.*

1 (1) The developer shall ensure that the prevailing wage  
2 requirement is included in all contracts for the performance of all  
3 construction work.

4 (2) All contractors and subcontractors shall pay to all  
5 construction workers employed in the execution of the work at  
6 least the general prevailing rate of per diem wages, except that  
7 apprentices registered in programs approved by the Chief of the  
8 Division of Apprenticeship Standards may be paid at least the  
9 applicable apprentice prevailing rate.

10 (3) Except as provided in paragraph (5), all contractors and  
11 subcontractors shall maintain and verify payroll records pursuant  
12 to Section 1776 of the Labor Code, and make those records  
13 available for inspection and copying as provided therein.

14 (4) Except as provided in paragraph (5), the obligation of the  
15 contractors and subcontractors to pay prevailing wages may be  
16 enforced by the Labor Commissioner through the issuance of a  
17 civil wage and penalty assessment pursuant to Section 1741 of the  
18 Labor Code, which may be reviewed pursuant to Section 1742 of  
19 the Labor Code, within 18 months after the completion of the  
20 development, or by an underpaid worker through an administrative  
21 complaint or civil action, or by a joint labor-management  
22 committee through a civil action under Section 1771.2 of the Labor  
23 Code. If a civil wage and penalty assessment is issued, the  
24 contractor, subcontractor, and surety on a bond or bonds issued  
25 to secure the payment of wages covered by the assessment shall  
26 be liable for liquidated damages pursuant to Section 1742.1 of the  
27 Labor Code.

28 (5) Paragraphs (3) and (4) shall not apply if all contractors  
29 and subcontractors performing work on the development are  
30 subject to a project labor agreement that requires the payment of  
31 prevailing wages to all construction workers employed in the  
32 execution of the development and provides for enforcement of that  
33 obligation through an arbitration procedure. For purposes of this  
34 clause, “project labor agreement” has the same meaning as set  
35 forth in paragraph (1) of subdivision (b) of Section 2500 of the  
36 Public Contract Code.

37 (c) (1) For projects with onsite construction, alteration, or  
38 repair costs totaling twenty-five million dollars (\$25,000,000) or  
39 more the developer shall seek bids containing an enforceable  
40 commitment that all contractors and subcontractors performing

1 work on the project will use a skilled and trained workforce to  
2 perform any rehabilitation, construction, or alterations work on  
3 the project that falls within an apprenticeable occupation in the  
4 building and construction trades.

5 (A) If the developer receives at least two bids from contractors  
6 with an enforceable commitment to employ a skilled and trained  
7 workforce, the contract shall be awarded to the lowest qualified  
8 bidder and the developer shall certify to the local agency that a  
9 skilled and trained workforce will be used to perform all  
10 construction work on the development.

11 (B) If the developer receives fewer than two qualified bids from  
12 contractors with an enforceable commitment to employ a skilled  
13 and trained workforce, the contract may be awarded to the lowest  
14 responsive bidder without the skilled and trained workforce  
15 requirement. In such cases, the project must instead comply with  
16 subdivision (d).

17 (2) The developer shall establish minimum qualifications that  
18 are, to the maximum extent possible, quantifiable and objective.  
19 Only criterion, and minimum thresholds for any criterion, that are  
20 reasonably necessary to ensure that any bidder awarded a project  
21 can successfully complete the proposed scope shall be utilized by  
22 the project proponent.

23 (3) If the developer has certified, pursuant to paragraph (1),  
24 that a skilled and trained workforce will be used to construct all  
25 work on development and the application is approved, all of the  
26 following shall apply:

27 (A) The developer shall require in all contracts for the  
28 performance of work that every contractor and subcontractor at  
29 every tier will individually use a skilled and trained workforce to  
30 construct the development.

31 (B) Every contractor and subcontractor shall use a skilled and  
32 trained workforce to construct the development.

33 (C) Except as provided in subparagraph (D), the developer  
34 shall provide to the local agency, on a monthly basis while the  
35 development or contract is being performed, a report  
36 demonstrating compliance with Chapter 2.9 (commencing with  
37 Section 2600) of Part 1 of Division 2 of the Public Contract Code.  
38 A monthly report provided to the local government pursuant to  
39 this subparagraph shall be a public record under the California  
40 Public Records Act (Chapter 3.5 (commencing with Section 6250))

1 of Division 7 of Title 1) and shall be open to public inspection. A  
 2 developer that fails to provide a monthly report demonstrating  
 3 compliance with Chapter 2.9 (commencing with Section 2600) of  
 4 Part 1 of Division 2 of the Public Contract Code shall be subject  
 5 to a civil penalty of ten thousand dollars (\$10,000) per month for  
 6 each month for which the report has not been provided. Any  
 7 contractor or subcontractor that fails to use a skilled and trained  
 8 workforce shall be subject to a civil penalty of two hundred dollars  
 9 (\$200) per day for each worker employed in contravention of the  
 10 skilled and trained workforce requirement. Penalties may be  
 11 assessed by the Labor Commissioner within 18 months of  
 12 completion of the development using the same procedures for  
 13 issuance of civil wage and penalty assessments pursuant to Section  
 14 1741 of the Labor Code, and may be reviewed pursuant to the  
 15 same procedures in Section 1742 of the Labor Code. Penalties  
 16 shall be paid to the State Public Works Enforcement Fund.

17 (D) Subparagraph (C) shall not apply if all contractors and  
 18 subcontractors performing work on the development are subject  
 19 to a project labor agreement that requires compliance with the  
 20 skilled and trained workforce requirement and provides for  
 21 enforcement of that obligation through an arbitration procedure.  
 22 For purposes of this subparagraph, “project labor agreement”  
 23 has the same meaning as set forth in paragraph (1) of subdivision  
 24 (b) of Section 2500 of the Public Contract Code.

25 (4) For purposes of this subdivision, “skilled and trained  
 26 workforce” has the same meaning as provided in Chapter 2.9  
 27 (commencing with Section 2600) of Part 1 of Division 2 of the  
 28 Public Contract Code.

29 (d) For projects with construction, alteration, or repair costs  
 30 totaling less than twenty-five million dollars (\$25,000,000) or as  
 31 specified in subdivision (c), the developer shall notify the local  
 32 agency and the Department of Industrial Relations within five  
 33 calendar days of the contract award.

34 (e) This section shall remain in effect only until January 1, 2029,  
 35 and as of that date is repealed.

36 ~~SEC. 2.~~

37 SEC. 3. Section 65913.4 of the Government Code is amended  
 38 to read:

39 65913.4. (a) A development proponent may submit an  
 40 application for a development that is subject to the streamlined,

1 ministerial approval process provided by subdivision (c) and is  
2 not subject to a conditional use permit if the development complies  
3 with subdivision (b) and satisfies all of the following objective  
4 planning standards:

5 (1) The development is a multifamily housing development that  
6 contains two or more residential units.

7 (2) The development and the site on which it is located satisfy  
8 all of the following:

9 (A) It is a legal parcel or parcels located in a city if, and only  
10 if, the city boundaries include some portion of either an urbanized  
11 area or urban cluster, as designated by the United States Census  
12 Bureau, or, for unincorporated areas, a legal parcel or parcels  
13 wholly within the boundaries of an urbanized area or urban cluster,  
14 as designated by the United States Census Bureau.

15 (B) At least 75 percent of the perimeter of the site adjoins parcels  
16 that are developed with urban uses. For the purposes of this section,  
17 parcels that are only separated by a street or highway shall be  
18 considered to be adjoined.

19 (C) (i) A site that meets the requirements of clause (ii) and  
20 satisfies any of the following:

21 (I) The site is zoned for residential use or residential mixed-use  
22 development.

23 (II) The site has a general plan designation that allows residential  
24 use or a mix of residential and nonresidential uses.

25 (III) The site is zoned for office or retail commercial use and  
26 has had no commercial tenants on 50 percent or more of its total  
27 usable net interior square footage for a period of at least three years  
28 prior to the submission of the application.

29 (ii) At least two-thirds of the square footage of the development  
30 is designated for residential use. Additional density, floor area,  
31 and units, and any other concession, incentive, or waiver of  
32 development standards granted pursuant to the Density Bonus Law  
33 in Section 65915 shall be included in the square footage  
34 calculation. The square footage of the development shall not  
35 include underground space, such as basements or underground  
36 parking garages.

37 (3) (A) The development proponent has committed to record,  
38 prior to the issuance of the first building permit, a land use  
39 restriction or covenant providing that any lower or moderate  
40 income housing units required pursuant to subparagraph (B) of

1 paragraph (4) shall remain available at affordable housing costs  
2 or rent to persons and families of lower or moderate income for  
3 no less than the following periods of time:

4 (i) Fifty-five years for units that are rented.

5 (ii) Forty-five years for units that are owned.

6 (B) The city or county shall require the recording of covenants  
7 or restrictions implementing this paragraph for each parcel or unit  
8 of real property included in the development.

9 (4) The development satisfies subparagraphs (A) and (B) below:

10 (A) Is located in a locality that the department has determined  
11 is subject to this subparagraph on the basis that the number of units  
12 that have been issued building permits, as shown on the most recent  
13 production report received by the department, is less than the  
14 locality's share of the regional housing needs, by income category,  
15 for that reporting period. A locality shall remain eligible under  
16 this subparagraph until the department's determination for the next  
17 reporting period.

18 (B) The development is subject to a requirement mandating a  
19 minimum percentage of below market rate housing based on one  
20 of the following:

21 (i) The locality did not submit its latest production report to the  
22 department by the time period required by Section 65400, or that  
23 production report reflects that there were fewer units of above  
24 moderate-income housing issued building permits than were  
25 required for the regional housing needs assessment cycle for that  
26 reporting period. In addition, if the project contains more than 10  
27 units of housing, the project does either of the following:

28 (I) The project dedicates a minimum of 10 percent of the total  
29 number of units to housing affordable to households making at or  
30 below 80 percent of the area median income. However, if the  
31 locality has adopted a local ordinance that requires that greater  
32 than 10 percent of the units be dedicated to housing affordable to  
33 households making below 80 percent of the area median income,  
34 that local ordinance applies.

35 (II) (ia) If the project is located within the San Francisco Bay  
36 area, the project, in lieu of complying with subclause (I), dedicates  
37 20 percent of the total number of units to housing affordable to  
38 households making below 120 percent of the area median income  
39 with the average income of the units at or below 100 percent of  
40 the area median income. However, a local ordinance adopted by

1 the locality applies if it requires greater than 20 percent of the units  
2 be dedicated to housing affordable to households making at or  
3 below 120 percent of the area median income, or requires that any  
4 of the units be dedicated at a level deeper than 120 percent. In  
5 order to comply with this subclause, the rent or sale price charged  
6 for units that are dedicated to housing affordable to households  
7 between 80 percent and 120 percent of the area median income  
8 shall not exceed 30 percent of the gross income of the household.

9 (ib) For purposes of this subclause, “San Francisco Bay area”  
10 means the entire area within the territorial boundaries of the  
11 Counties of Alameda, Contra Costa, Marin, Napa, San Mateo,  
12 Santa Clara, Solano, and Sonoma, and the City and County of San  
13 Francisco.

14 (ii) The locality’s latest production report reflects that there  
15 were fewer units of housing issued building permits affordable to  
16 either very low income or low-income households by income  
17 category than were required for the regional housing needs  
18 assessment cycle for that reporting period, and the project seeking  
19 approval dedicates 50 percent of the total number of units to  
20 housing affordable to households making at or below 80 percent  
21 of the area median income. However, if the locality has adopted  
22 a local ordinance that requires that greater than 50 percent of the  
23 units be dedicated to housing affordable to households making at  
24 or below 80 percent of the area median income, that local ordinance  
25 applies.

26 (iii) The locality did not submit its latest production report to  
27 the department by the time period required by Section 65400, or  
28 if the production report reflects that there were fewer units of  
29 housing affordable to both income levels described in clauses (i)  
30 and (ii) that were issued building permits than were required for  
31 the regional housing needs assessment cycle for that reporting  
32 period, the project seeking approval may choose between utilizing  
33 clause (i) or (ii).

34 (C) (i) A development proponent that uses a unit of affordable  
35 housing to satisfy the requirements of subparagraph (B) may also  
36 satisfy any other local or state requirement for affordable housing,  
37 including local ordinances or the Density Bonus Law in Section  
38 65915, provided that the development proponent complies with  
39 the applicable requirements in the state or local law.

1 (ii) A development proponent that uses a unit of affordable  
2 housing to satisfy any other state or local affordability requirement  
3 may also satisfy the requirements of subparagraph (B), provided  
4 that the development proponent complies with applicable  
5 requirements of subparagraph (B).

6 (iii) A development proponent may satisfy the affordability  
7 requirements of subparagraph (B) with a unit that is restricted to  
8 households with incomes lower than the applicable income limits  
9 required in subparagraph (B).

10 (5) The development, excluding any additional density or any  
11 other concessions, incentives, or waivers of development standards  
12 granted pursuant to the Density Bonus Law in Section 65915, is  
13 consistent with objective zoning standards, objective subdivision  
14 standards, and objective design review standards in effect at the  
15 time that the development is submitted to the local government  
16 pursuant to this section, or at the time a notice of intent is submitted  
17 pursuant to subdivision (b), whichever occurs earlier. For purposes  
18 of this paragraph, “objective zoning standards,” “objective  
19 subdivision standards,” and “objective design review standards”  
20 mean standards that involve no personal or subjective judgment  
21 by a public official and are uniformly verifiable by reference to  
22 an external and uniform benchmark or criterion available and  
23 knowable by both the development applicant or proponent and the  
24 public official before submittal. These standards may be embodied  
25 in alternative objective land use specifications adopted by a city  
26 or county, and may include, but are not limited to, housing overlay  
27 zones, specific plans, inclusionary zoning ordinances, and density  
28 bonus ordinances, subject to the following:

29 (A) A development shall be deemed consistent with the objective  
30 zoning standards related to housing density, as applicable, if the  
31 density proposed is compliant with the maximum density allowed  
32 within that land use designation, notwithstanding any specified  
33 maximum unit allocation that may result in fewer units of housing  
34 being permitted.

35 (B) In the event that objective zoning, general plan, subdivision,  
36 or design review standards are mutually inconsistent, a  
37 development shall be deemed consistent with the objective zoning  
38 and subdivision standards pursuant to this subdivision if the  
39 development is consistent with the standards set forth in the general  
40 plan.

1 (C) It is the intent of the Legislature that the objective zoning  
2 standards, objective subdivision standards, and objective design  
3 review standards described in this paragraph be adopted or  
4 amended in compliance with the requirements of Chapter 905 of  
5 the Statutes of 2004.

6 (D) The amendments to this subdivision made by the act adding  
7 this subparagraph do not constitute a change in, but are declaratory  
8 of, existing law.

9 (E) A project located on a neighborhood lot, as defined in  
10 Section 65852.23, shall be deemed consistent with objective zoning  
11 standards, objective design standards, and objective subdivision  
12 standards if the project is consistent with the provisions of  
13 subdivision (b) of Section 65852.23 and if none of the square  
14 footage in the project is designated for hotel, motel, bed and  
15 breakfast inn, or other transient lodging use, except for a residential  
16 hotel. For purposes of this subdivision, “residential hotel” shall  
17 have the same meaning as defined in Section 50519 of the Health  
18 and Safety Code.

19 (6) The development is not located on a site that is any of the  
20 following:

21 (A) A coastal zone, as defined in Division 20 (commencing  
22 with Section 30000) of the Public Resources Code.

23 (B) Either prime farmland or farmland of statewide importance,  
24 as defined pursuant to United States Department of Agriculture  
25 land inventory and monitoring criteria, as modified for California,  
26 and designated on the maps prepared by the Farmland Mapping  
27 and Monitoring Program of the Department of Conservation, or  
28 land zoned or designated for agricultural protection or preservation  
29 by a local ballot measure that was approved by the voters of that  
30 jurisdiction.

31 (C) Wetlands, as defined in the United States Fish and Wildlife  
32 Service Manual, Part 660 FW 2 (June 21, 1993).

33 (D) Within a very high fire hazard severity zone, as determined  
34 by the Department of Forestry and Fire Protection pursuant to  
35 Section 51178, or within a high or very high fire hazard severity  
36 zone as indicated on maps adopted by the Department of Forestry  
37 and Fire Protection pursuant to Section 4202 of the Public  
38 Resources Code. This subparagraph does not apply to sites  
39 excluded from the specified hazard zones by a local agency,  
40 pursuant to subdivision (b) of Section 51179, or sites that have

1 adopted fire hazard mitigation measures pursuant to existing  
2 building standards or state fire mitigation measures applicable to  
3 the development.

4 (E) A hazardous waste site that is listed pursuant to Section  
5 65962.5 or a hazardous waste site designated by the Department  
6 of Toxic Substances Control pursuant to Section 25356 of the  
7 Health and Safety Code, unless the State Department of Public  
8 Health, State Water Resources Control Board, or Department of  
9 Toxic Substances Control has cleared the site for residential use  
10 or residential mixed uses.

11 (F) Within a delineated earthquake fault zone as determined by  
12 the State Geologist in any official maps published by the State  
13 Geologist, unless the development complies with applicable seismic  
14 protection building code standards adopted by the California  
15 Building Standards Commission under the California Building  
16 Standards Law (Part 2.5 (commencing with Section 18901) of  
17 Division 13 of the Health and Safety Code), and by any local  
18 building department under Chapter 12.2 (commencing with Section  
19 8875) of Division 1 of Title 2.

20 (G) Within a special flood hazard area subject to inundation by  
21 the 1 percent annual chance flood (100-year flood) as determined  
22 by the Federal Emergency Management Agency in any official  
23 maps published by the Federal Emergency Management Agency.  
24 If a development proponent is able to satisfy all applicable federal  
25 qualifying criteria in order to provide that the site satisfies this  
26 subparagraph and is otherwise eligible for streamlined approval  
27 under this section, a local government shall not deny the application  
28 on the basis that the development proponent did not comply with  
29 any additional permit requirement, standard, or action adopted by  
30 that local government that is applicable to that site. A development  
31 may be located on a site described in this subparagraph if either  
32 of the following are met:

33 (i) The site has been subject to a Letter of Map Revision  
34 prepared by the Federal Emergency Management Agency and  
35 issued to the local jurisdiction.

36 (ii) The site meets Federal Emergency Management Agency  
37 requirements necessary to meet minimum flood plain management  
38 criteria of the National Flood Insurance Program pursuant to Part  
39 59 (commencing with Section 59.1) and Part 60 (commencing

1 with Section 60.1) of Subchapter B of Chapter I of Title 44 of the  
2 Code of Federal Regulations.

3 (H) Within a regulatory floodway as determined by the Federal  
4 Emergency Management Agency in any official maps published  
5 by the Federal Emergency Management Agency, unless the  
6 development has received a no-rise certification in accordance  
7 with Section 60.3(d)(3) of Title 44 of the Code of Federal  
8 Regulations. If a development proponent is able to satisfy all  
9 applicable federal qualifying criteria in order to provide that the  
10 site satisfies this subparagraph and is otherwise eligible for  
11 streamlined approval under this section, a local government shall  
12 not deny the application on the basis that the development  
13 proponent did not comply with any additional permit requirement,  
14 standard, or action adopted by that local government that is  
15 applicable to that site.

16 (I) Lands identified for conservation in an adopted natural  
17 community conservation plan pursuant to the Natural Community  
18 Conservation Planning Act (Chapter 10 (commencing with Section  
19 2800) of Division 3 of the Fish and Game Code), habitat  
20 conservation plan pursuant to the federal Endangered Species Act  
21 of 1973 (16 U.S.C. Sec. 1531 et seq.), or other adopted natural  
22 resource protection plan.

23 (J) Habitat for protected species identified as candidate,  
24 sensitive, or species of special status by state or federal agencies,  
25 fully protected species, or species protected by the federal  
26 Endangered Species Act of 1973 (16 U.S.C. Sec. 1531 et seq.),  
27 the California Endangered Species Act (Chapter 1.5 (commencing  
28 with Section 2050) of Division 3 of the Fish and Game Code), or  
29 the Native Plant Protection Act (Chapter 10 (commencing with  
30 Section 1900) of Division 2 of the Fish and Game Code).

31 (K) Lands under conservation easement.

32 (7) The development is not located on a site where any of the  
33 following apply:

34 (A) The development would require the demolition of the  
35 following types of housing:

36 (i) Housing that is subject to a recorded covenant, ordinance,  
37 or law that restricts rents to levels affordable to persons and  
38 families of moderate, low, or very low income.

39 (ii) Housing that is subject to any form of rent or price control  
40 through a public entity's valid exercise of its police power.

1 (iii) Housing that has been occupied by tenants within the past  
2 10 years.

3 (B) The site was previously used for housing that was occupied  
4 by tenants that was demolished within 10 years before the  
5 development proponent submits an application under this section.

6 (C) The development would require the demolition of a historic  
7 structure that was placed on a national, state, or local historic  
8 register.

9 (D) The property contains housing units that are occupied by  
10 tenants, and units at the property are, or were, subsequently offered  
11 for sale to the general public by the subdivider or subsequent owner  
12 of the property.

13 (8) The development proponent has done both of the following,  
14 as applicable:

15 (A) Certified to the locality that either of the following is true,  
16 as applicable:

17 (i) The entirety of the development is a public work for purposes  
18 of Chapter 1 (commencing with Section 1720) of Part 7 of Division  
19 2 of the Labor Code.

20 (ii) If the development is not in its entirety a public work, that  
21 all construction workers employed in the execution of the  
22 development will be paid at least the general prevailing rate of per  
23 diem wages for the type of work and geographic area, as  
24 determined by the Director of Industrial Relations pursuant to  
25 Sections 1773 and 1773.9 of the Labor Code, except that  
26 apprentices registered in programs approved by the Chief of the  
27 Division of Apprenticeship Standards may be paid at least the  
28 applicable apprentice prevailing rate. If the development is subject  
29 to this subparagraph, then for those portions of the development  
30 that are not a public work all of the following shall apply:

31 (I) The development proponent shall ensure that the prevailing  
32 wage requirement is included in all contracts for the performance  
33 of the work.

34 (II) All contractors and subcontractors shall pay to all  
35 construction workers employed in the execution of the work at  
36 least the general prevailing rate of per diem wages, except that  
37 apprentices registered in programs approved by the Chief of the  
38 Division of Apprenticeship Standards may be paid at least the  
39 applicable apprentice prevailing rate.

1 (III) Except as provided in subclause (V), all contractors and  
2 subcontractors shall maintain and verify payroll records pursuant  
3 to Section 1776 of the Labor Code and make those records  
4 available for inspection and copying as provided therein.

5 (IV) Except as provided in subclause (V), the obligation of the  
6 contractors and subcontractors to pay prevailing wages may be  
7 enforced by the Labor Commissioner through the issuance of a  
8 civil wage and penalty assessment pursuant to Section 1741 of the  
9 Labor Code, which may be reviewed pursuant to Section 1742 of  
10 the Labor Code, within 18 months after the completion of the  
11 development, by an underpaid worker through an administrative  
12 complaint or civil action, or by a joint labor-management  
13 committee through a civil action under Section 1771.2 of the Labor  
14 Code. If a civil wage and penalty assessment is issued, the  
15 contractor, subcontractor, and surety on a bond or bonds issued to  
16 secure the payment of wages covered by the assessment shall be  
17 liable for liquidated damages pursuant to Section 1742.1 of the  
18 Labor Code.

19 (V) Subclauses (III) and (IV) shall not apply if all contractors  
20 and subcontractors performing work on the development are subject  
21 to a project labor agreement that requires the payment of prevailing  
22 wages to all construction workers employed in the execution of  
23 the development and provides for enforcement of that obligation  
24 through an arbitration procedure. For purposes of this clause,  
25 “project labor agreement” has the same meaning as set forth in  
26 paragraph (1) of subdivision (b) of Section 2500 of the Public  
27 Contract Code.

28 (VI) Notwithstanding subdivision (c) of Section 1773.1 of the  
29 Labor Code, the requirement that employer payments not reduce  
30 the obligation to pay the hourly straight time or overtime wages  
31 found to be prevailing shall not apply if otherwise provided in a  
32 bona fide collective bargaining agreement covering the worker.  
33 The requirement to pay at least the general prevailing rate of per  
34 diem wages does not preclude use of an alternative workweek  
35 schedule adopted pursuant to Section 511 or 514 of the Labor  
36 Code.

37 (B) (i) For developments for which any of the following  
38 conditions apply, certified that a skilled and trained workforce  
39 shall be used to complete the development if the application is  
40 approved:

1 (I) On and after January 1, 2018, until December 31, 2021, the  
2 development consists of 75 or more units with a residential  
3 component that is not 100 percent subsidized affordable housing  
4 and will be located within a jurisdiction located in a coastal or bay  
5 county with a population of 225,000 or more.

6 (II) On and after January 1, 2022, until December 31, 2025, the  
7 development consists of 50 or more units with a residential  
8 component that is not 100 percent subsidized affordable housing  
9 and will be located within a jurisdiction located in a coastal or bay  
10 county with a population of 225,000 or more.

11 (III) On and after January 1, 2018, until December 31, 2019,  
12 the development consists of 75 or more units with a residential  
13 component that is not 100 percent subsidized affordable housing  
14 and will be located within a jurisdiction with a population of fewer  
15 than 550,000 and that is not located in a coastal or bay county.

16 (IV) On and after January 1, 2020, until December 31, 2021,  
17 the development consists of more than 50 units with a residential  
18 component that is not 100 percent subsidized affordable housing  
19 and will be located within a jurisdiction with a population of fewer  
20 than 550,000 and that is not located in a coastal or bay county.

21 (V) On and after January 1, 2022, until December 31, 2025, the  
22 development consists of more than 25 units with a residential  
23 component that is not 100 percent subsidized affordable housing  
24 and will be located within a jurisdiction with a population of fewer  
25 than 550,000 and that is not located in a coastal or bay county.

26 (ii) For purposes of this section, “skilled and trained workforce”  
27 has the same meaning as provided in Chapter 2.9 (commencing  
28 with Section 2600) of Part 1 of Division 2 of the Public Contract  
29 Code.

30 (iii) If the development proponent has certified that a skilled  
31 and trained workforce will be used to complete the development  
32 and the application is approved, the following shall apply:

33 (I) The applicant shall require in all contracts for the  
34 performance of work that every contractor and subcontractor at  
35 every tier will individually use a skilled and trained workforce to  
36 complete the development.

37 (II) Every contractor and subcontractor shall use a skilled and  
38 trained workforce to complete the development.

39 (III) Except as provided in subclause (IV), the applicant shall  
40 provide to the locality, on a monthly basis while the development

1 or contract is being performed, a report demonstrating compliance  
2 with Chapter 2.9 (commencing with Section 2600) of Part 1 of  
3 Division 2 of the Public Contract Code. A monthly report provided  
4 to the locality pursuant to this subclause shall be a public record  
5 under the California Public Records Act (Chapter 3.5 (commencing  
6 with Section 6250) of Division 7 of Title 1) and shall be open to  
7 public inspection. An applicant that fails to provide a monthly  
8 report demonstrating compliance with Chapter 2.9 (commencing  
9 with Section 2600) of Part 1 of Division 2 of the Public Contract  
10 Code shall be subject to a civil penalty of ten thousand dollars  
11 (\$10,000) per month for each month for which the report has not  
12 been provided. Any contractor or subcontractor that fails to use a  
13 skilled and trained workforce shall be subject to a civil penalty of  
14 two hundred dollars (\$200) per day for each worker employed in  
15 contravention of the skilled and trained workforce requirement.  
16 Penalties may be assessed by the Labor Commissioner within 18  
17 months of completion of the development using the same  
18 procedures for issuance of civil wage and penalty assessments  
19 pursuant to Section 1741 of the Labor Code, and may be reviewed  
20 pursuant to the same procedures in Section 1742 of the Labor  
21 Code. Penalties shall be paid to the State Public Works  
22 Enforcement Fund.

23 (IV) Subclause (III) shall not apply if all contractors and  
24 subcontractors performing work on the development are subject  
25 to a project labor agreement that requires compliance with the  
26 skilled and trained workforce requirement and provides for  
27 enforcement of that obligation through an arbitration procedure.  
28 For purposes of this subparagraph, “project labor agreement” has  
29 the same meaning as set forth in paragraph (1) of subdivision (b)  
30 of Section 2500 of the Public Contract Code.

31 (C) Notwithstanding subparagraphs (A) and (B), a development  
32 that is subject to approval pursuant to this section is exempt from  
33 any requirement to pay prevailing wages or use a skilled and  
34 trained workforce if it meets both of the following:

35 (i) The project includes 10 or fewer units.  
36 (ii) The project is not a public work for purposes of Chapter 1  
37 (commencing with Section 1720) of Part 7 of Division 2 of the  
38 Labor Code.

39 (9) The development did not or does not involve a subdivision  
40 of a parcel that is, or, notwithstanding this section, would otherwise

1 be, subject to the Subdivision Map Act (Division 2 (commencing  
2 with Section 66410)) or any other applicable law authorizing the  
3 subdivision of land, unless the development is consistent with all  
4 objective subdivision standards in the local subdivision ordinance,  
5 and either of the following apply:

6 (A) The development has received or will receive financing or  
7 funding by means of a low-income housing tax credit and is subject  
8 to the requirement that prevailing wages be paid pursuant to  
9 subparagraph (A) of paragraph (8).

10 (B) The development is subject to the requirement that  
11 prevailing wages be paid, and a skilled and trained workforce used,  
12 pursuant to paragraph (8).

13 (10) The development shall not be upon an existing parcel of  
14 land or site that is governed under the Mobilehome Residency Law  
15 (Chapter 2.5 (commencing with Section 798) of Title 2 of Part 2  
16 of Division 2 of the Civil Code), the Recreational Vehicle Park  
17 Occupancy Law (Chapter 2.6 (commencing with Section 799.20)  
18 of Title 2 of Part 2 of Division 2 of the Civil Code), the  
19 Mobilehome Parks Act (Part 2.1 (commencing with Section 18200)  
20 of Division 13 of the Health and Safety Code), or the Special  
21 Occupancy Parks Act (Part 2.3 (commencing with Section 18860)  
22 of Division 13 of the Health and Safety Code).

23 (b) (1) (A) (i) Before submitting an application for a  
24 development subject to the streamlined, ministerial approval  
25 process described in subdivision (c), the development proponent  
26 shall submit to the local government a notice of its intent to submit  
27 an application. The notice of intent shall be in the form of a  
28 preliminary application that includes all of the information  
29 described in Section 65941.1, as that section read on January 1,  
30 2020.

31 (ii) Upon receipt of a notice of intent to submit an application  
32 described in clause (i), the local government shall engage in a  
33 scoping consultation regarding the proposed development with  
34 any California Native American tribe that is traditionally and  
35 culturally affiliated with the geographic area, as described in  
36 Section 21080.3.1 of the Public Resources Code, of the proposed  
37 development. In order to expedite compliance with this subdivision,  
38 the local government shall contact the Native American Heritage  
39 Commission for assistance in identifying any California Native

1 American tribe that is traditionally and culturally affiliated with  
2 the geographic area of the proposed development.

3 (iii) The timeline for noticing and commencing a scoping  
4 consultation in accordance with this subdivision shall be as follows:

5 (I) The local government shall provide a formal notice of a  
6 development proponent’s notice of intent to submit an application  
7 described in clause (i) to each California Native American tribe  
8 that is traditionally and culturally affiliated with the geographic  
9 area of the proposed development within 30 days of receiving that  
10 notice of intent. The formal notice provided pursuant to this  
11 subclause shall include all of the following:

12 (ia) A description of the proposed development.

13 (ib) The location of the proposed development.

14 (ic) An invitation to engage in a scoping consultation in  
15 accordance with this subdivision.

16 (II) Each California Native American tribe that receives a formal  
17 notice pursuant to this clause shall have 30 days from the receipt  
18 of that notice to accept the invitation to engage in a scoping  
19 consultation.

20 (III) If the local government receives a response accepting an  
21 invitation to engage in a scoping consultation pursuant to this  
22 subdivision, the local government shall commence the scoping  
23 consultation within 30 days of receiving that response.

24 (B) The scoping consultation shall recognize that California  
25 Native American tribes traditionally and culturally affiliated with  
26 a geographic area have knowledge and expertise concerning the  
27 resources at issue and shall take into account the cultural  
28 significance of the resource to the culturally affiliated California  
29 Native American tribe.

30 (C) The parties to a scoping consultation conducted pursuant  
31 to this subdivision shall be the local government and any California  
32 Native American tribe traditionally and culturally affiliated with  
33 the geographic area of the proposed development. More than one  
34 California Native American tribe traditionally and culturally  
35 affiliated with the geographic area of the proposed development  
36 may participate in the scoping consultation. However, the local  
37 government, upon the request of any California Native American  
38 tribe traditionally and culturally affiliated with the geographic area  
39 of the proposed development, shall engage in a separate scoping  
40 consultation with that California Native American tribe. The

1 development proponent and its consultants may participate in a  
2 scoping consultation process conducted pursuant to this subdivision  
3 if all of the following conditions are met:

4 (i) The development proponent and its consultants agree to  
5 respect the principles set forth in this subdivision.

6 (ii) The development proponent and its consultants engage in  
7 the scoping consultation in good faith.

8 (iii) The California Native American tribe participating in the  
9 scoping consultation approves the participation of the development  
10 proponent and its consultants. The California Native American  
11 tribe may rescind its approval at any time during the scoping  
12 consultation, either for the duration of the scoping consultation or  
13 with respect to any particular meeting or discussion held as part  
14 of the scoping consultation.

15 (D) The participants to a scoping consultation pursuant to this  
16 subdivision shall comply with all of the following confidentiality  
17 requirements:

18 (i) Subdivision (r) of Section 6254.

19 (ii) Section 6254.10.

20 (iii) Subdivision (c) of Section 21082.3 of the Public Resources  
21 Code.

22 (iv) Subdivision (d) of Section 15120 of Title 14 of the  
23 California Code of Regulations.

24 (v) Any additional confidentiality standards adopted by the  
25 California Native American tribe participating in the scoping  
26 consultation.

27 (E) The California Environmental Quality Act (Division 13  
28 commencing with Section 21000) of the Public Resources Code)  
29 shall not apply to a scoping consultation conducted pursuant to  
30 this subdivision.

31 (2) (A) If, after concluding the scoping consultation, the parties  
32 find that no potential tribal cultural resource would be affected by  
33 the proposed development, the development proponent may submit  
34 an application for the proposed development that is subject to the  
35 streamlined, ministerial approval process described in subdivision  
36 (c).

37 (B) If, after concluding the scoping consultation, the parties  
38 find that a potential tribal cultural resource could be affected by  
39 the proposed development and an enforceable agreement is  
40 documented between the California Native American tribe and the

1 local government on methods, measures, and conditions for tribal  
2 cultural resource treatment, the development proponent may submit  
3 the application for a development subject to the streamlined,  
4 ministerial approval process described in subdivision (c). The local  
5 government shall ensure that the enforceable agreement is included  
6 in the requirements and conditions for the proposed development.

7 (C) If, after concluding the scoping consultation, the parties  
8 find that a potential tribal cultural resource could be affected by  
9 the proposed development and an enforceable agreement is not  
10 documented between the California Native American tribe and the  
11 local government regarding methods, measures, and conditions  
12 for tribal cultural resource treatment, the development shall not  
13 be eligible for the streamlined, ministerial approval process  
14 described in subdivision (c).

15 (D) For purposes of this paragraph, a scoping consultation shall  
16 be deemed to be concluded if either of the following occur:

17 (i) The parties to the scoping consultation document an  
18 enforceable agreement concerning methods, measures, and  
19 conditions to avoid or address potential impacts to tribal cultural  
20 resources that are or may be present.

21 (ii) One or more parties to the scoping consultation, acting in  
22 good faith and after reasonable effort, conclude that a mutual  
23 agreement on methods, measures, and conditions to avoid or  
24 address impacts to tribal cultural resources that are or may be  
25 present cannot be reached.

26 (E) If the development or environmental setting substantially  
27 changes after the completion of the scoping consultation, the local  
28 government shall notify the California Native American tribe of  
29 the changes and engage in a subsequent scoping consultation if  
30 requested by the California Native American tribe.

31 (3) A local government may only accept an application for  
32 streamlined, ministerial approval pursuant to this section if one of  
33 the following applies:

34 (A) A California Native American tribe that received a formal  
35 notice of the development proponent's notice of intent to submit  
36 an application pursuant to subclause (I) of clause (iii) of  
37 subparagraph (A) of paragraph (1) did not accept the invitation to  
38 engage in a scoping consultation.

39 (B) The California Native American tribe accepted an invitation  
40 to engage in a scoping consultation pursuant to subclause (II) of

1 clause (iii) of subparagraph (A) of paragraph (1) but substantially  
2 failed to engage in the scoping consultation after repeated  
3 documented attempts by the local government to engage the  
4 California Native American tribe.

5 (C) The parties to a scoping consultation pursuant to this  
6 subdivision find that no potential tribal cultural resource will be  
7 affected by the proposed development pursuant to subparagraph  
8 (A) of paragraph (2).

9 (D) A scoping consultation between a California Native  
10 American tribe and the local government has occurred in  
11 accordance with this subdivision and resulted in agreement  
12 pursuant to subparagraph (B) of paragraph (2).

13 (4) A project shall not be eligible for the streamlined, ministerial  
14 process described in subdivision (c) if any of the following apply:

15 (A) There is a tribal cultural resource that is on a national, state,  
16 tribal, or local historic register list located on the site of the project.

17 (B) There is a potential tribal cultural resource that could be  
18 affected by the proposed development and the parties to a scoping  
19 consultation conducted pursuant to this subdivision do not  
20 document an enforceable agreement on methods, measures, and  
21 conditions for tribal cultural resource treatment, as described in  
22 subparagraph (C) of paragraph (2).

23 (C) The parties to a scoping consultation conducted pursuant  
24 to this subdivision do not agree as to whether a potential tribal  
25 cultural resource will be affected by the proposed development.

26 (5) (A) If, after a scoping consultation conducted pursuant to  
27 this subdivision, a project is not eligible for the streamlined,  
28 ministerial process described in subdivision (c) for any or all of  
29 the following reasons, the local government shall provide written  
30 documentation of that fact, and an explanation of the reason for  
31 which the project is not eligible, to the development proponent  
32 and to any California Native American tribe that is a party to that  
33 scoping consultation:

34 (i) There is a tribal cultural resource that is on a national, state,  
35 tribal, or local historic register list located on the site of the project,  
36 as described in subparagraph (A) of paragraph (4).

37 (ii) The parties to the scoping consultation have not documented  
38 an enforceable agreement on methods, measures, and conditions  
39 for tribal cultural resource treatment, as described in subparagraph  
40 (C) of paragraph (2) and subparagraph (B) of paragraph (4).

1 (iii) The parties to the scoping consultation do not agree as to  
2 whether a potential tribal cultural resource will be affected by the  
3 proposed development, as described in subparagraph (C) of  
4 paragraph (4).

5 (B) The written documentation provided to a development  
6 proponent pursuant to this paragraph shall include information on  
7 how the development proponent may seek a conditional use permit  
8 or other discretionary approval of the development from the local  
9 government.

10 (6) This section is not intended, and shall not be construed, to  
11 limit consultation and discussion between a local government and  
12 a California Native American tribe pursuant to other applicable  
13 law, confidentiality provisions under other applicable law, the  
14 protection of religious exercise to the fullest extent permitted under  
15 state and federal law, or the ability of a California Native American  
16 tribe to submit information to the local government or participate  
17 in any process of the local government.

18 (7) For purposes of this subdivision:

19 (A) “Consultation” means the meaningful and timely process  
20 of seeking, discussing, and considering carefully the views of  
21 others, in a manner that is cognizant of all parties’ cultural values  
22 and, where feasible, seeking agreement. Consultation between  
23 local governments and California Native American tribes shall be  
24 conducted in a way that is mutually respectful of each party’s  
25 sovereignty. Consultation shall also recognize the tribes’ potential  
26 needs for confidentiality with respect to places that have traditional  
27 tribal cultural importance. A lead agency shall consult the tribal  
28 consultation best practices described in the “State of California  
29 Tribal Consultation Guidelines: Supplement to the General Plan  
30 Guidelines” prepared by the Office of Planning and Research.

31 (B) “Scoping” means the act of participating in early discussions  
32 or investigations between the local government and California  
33 Native American tribe, and the development proponent if  
34 authorized by the California Native American tribe, regarding the  
35 potential effects a proposed development could have on a potential  
36 tribal cultural resource, as defined in Section 21074 of the Public  
37 Resources Code, or California Native American tribe, as defined  
38 in Section 21073 of the Public Resources Code.

39 (8) This subdivision shall not apply to any project that has been  
40 approved under the streamlined, ministerial approval process

1 provided under this section before the effective date of the act  
2 adding this subdivision.

3 (c) (1) If a local government determines that a development  
4 submitted pursuant to this section is in conflict with any of the  
5 objective planning standards specified in subdivision (a), it shall  
6 provide the development proponent written documentation of  
7 which standard or standards the development conflicts with, and  
8 an explanation for the reason or reasons the development conflicts  
9 with that standard or standards, as follows:

10 (A) Within 60 days of submittal of the development to the local  
11 government pursuant to this section if the development contains  
12 150 or fewer housing units.

13 (B) Within 90 days of submittal of the development to the local  
14 government pursuant to this section if the development contains  
15 more than 150 housing units.

16 (2) If the local government fails to provide the required  
17 documentation pursuant to paragraph (1), the development shall  
18 be deemed to satisfy the objective planning standards specified in  
19 subdivision (a).

20 (3) For purposes of this section, a development is consistent  
21 with the objective planning standards specified in subdivision (a)  
22 if there is substantial evidence that would allow a reasonable person  
23 to conclude that the development is consistent with the objective  
24 planning standards.

25 (d) (1) Any design review or public oversight of the  
26 development may be conducted by the local government’s planning  
27 commission or any equivalent board or commission responsible  
28 for review and approval of development projects, or the city council  
29 or board of supervisors, as appropriate. That design review or  
30 public oversight shall be objective and be strictly focused on  
31 assessing compliance with criteria required for streamlined projects,  
32 as well as any reasonable objective design standards published  
33 and adopted by ordinance or resolution by a local jurisdiction  
34 before submission of a development application, and shall be  
35 broadly applicable to development within the jurisdiction. That  
36 design review or public oversight shall be completed as follows  
37 and shall not in any way inhibit, chill, or preclude the ministerial  
38 approval provided by this section or its effect, as applicable:

1 (A) Within 90 days of submittal of the development to the local  
2 government pursuant to this section if the development contains  
3 150 or fewer housing units.

4 (B) Within 180 days of submittal of the development to the  
5 local government pursuant to this section if the development  
6 contains more than 150 housing units.

7 (2) If the development is consistent with the requirements of  
8 subparagraph (A) or (B) of paragraph (9) of subdivision (a) and  
9 is consistent with all objective subdivision standards in the local  
10 subdivision ordinance, an application for a subdivision pursuant  
11 to the Subdivision Map Act (Division 2 (commencing with Section  
12 66410)) shall be exempt from the requirements of the California  
13 Environmental Quality Act (Division 13 (commencing with Section  
14 21000) of the Public Resources Code) and shall be subject to the  
15 public oversight timelines set forth in paragraph (1).

16 (e) (1) Notwithstanding any other law, a local government,  
17 whether or not it has adopted an ordinance governing automobile  
18 parking requirements in multifamily developments, shall not  
19 impose automobile parking standards for a streamlined  
20 development that was approved pursuant to this section in any of  
21 the following instances:

22 (A) The development is located within one-half mile of public  
23 transit.

24 (B) The development is located within an architecturally and  
25 historically significant historic district.

26 (C) When on-street parking permits are required but not offered  
27 to the occupants of the development.

28 (D) When there is a car share vehicle located within one block  
29 of the development.

30 (2) If the development does not fall within any of the categories  
31 described in paragraph (1), the local government shall not impose  
32 automobile parking requirements for streamlined developments  
33 approved pursuant to this section that exceed one parking space  
34 per unit.

35 (f) (1) If a local government approves a development pursuant  
36 to this section, then, notwithstanding any other law, that approval  
37 shall not expire if the project includes public investment in housing  
38 affordability, beyond tax credits, where 50 percent of the units are  
39 affordable to households making at or below 80 percent of the area  
40 median income.

1 (2) (A) If a local government approves a development pursuant  
2 to this section and the project does not include 50 percent of the  
3 units affordable to households making at or below 80 percent of  
4 the area median income, that approval shall remain valid for three  
5 years from the date of the final action establishing that approval,  
6 or if litigation is filed challenging that approval, from the date of  
7 the final judgment upholding that approval. Approval shall remain  
8 valid for a project provided that vertical construction of the  
9 development has begun and is in progress. For purposes of this  
10 subdivision, “in progress” means one of the following:

11 (i) The construction has begun and has not ceased for more than  
12 180 days.

13 (ii) If the development requires multiple building permits, an  
14 initial phase has been completed, and the project proponent has  
15 applied for and is diligently pursuing a building permit for a  
16 subsequent phase, provided that once it has been issued, the  
17 building permit for the subsequent phase does not lapse.

18 (B) Notwithstanding subparagraph (A), a local government may  
19 grant a project a one-time, one-year extension if the project  
20 proponent can provide documentation that there has been  
21 significant progress toward getting the development construction  
22 ready, such as filing a building permit application.

23 (3) If a local government approves a development pursuant to  
24 this section, that approval shall remain valid for three years from  
25 the date of the final action establishing that approval and shall  
26 remain valid thereafter for a project so long as vertical construction  
27 of the development has begun and is in progress. Additionally, the  
28 development proponent may request, and the local government  
29 shall have discretion to grant, an additional one-year extension to  
30 the original three-year period. The local government’s action and  
31 discretion in determining whether to grant the foregoing extension  
32 shall be limited to considerations and processes set forth in this  
33 section.

34 (g) (1) (A) A development proponent may request a  
35 modification to a development that has been approved under the  
36 streamlined, ministerial approval process provided in subdivision  
37 (b) if that request is submitted to the local government before the  
38 issuance of the final building permit required for construction of  
39 the development.

1 (B) Except as provided in paragraph (3), the local government  
2 shall approve a modification if it determines that the modification  
3 is consistent with the objective planning standards specified in  
4 subdivision (a) that were in effect when the original development  
5 application was first submitted.

6 (C) The local government shall evaluate any modifications  
7 requested pursuant to this subdivision for consistency with the  
8 objective planning standards using the same assumptions and  
9 analytical methodology that the local government originally used  
10 to assess consistency for the development that was approved for  
11 streamlined, ministerial approval pursuant to subdivision (b).

12 (D) A guideline that was adopted or amended by the department  
13 pursuant to subdivision (j) after a development was approved  
14 through the streamlined ministerial approval process described in  
15 subdivision (b) shall not be used as a basis to deny proposed  
16 modifications.

17 (2) Upon receipt of the developmental proponent's application  
18 requesting a modification, the local government shall determine  
19 if the requested modification is consistent with the objective  
20 planning standard and either approve or deny the modification  
21 request within 60 days after submission of the modification, or  
22 within 90 days if design review is required.

23 (3) Notwithstanding paragraph (1), the local government may  
24 apply objective planning standards adopted after the development  
25 application was first submitted to the requested modification in  
26 any of the following instances:

27 (A) The development is revised such that the total number of  
28 residential units or total square footage of construction changes  
29 by 15 percent or more.

30 (B) The development is revised such that the total number of  
31 residential units or total square footage of construction changes  
32 by 5 percent or more and it is necessary to subject the development  
33 to an objective standard beyond those in effect when the  
34 development application was submitted in order to mitigate or  
35 avoid a specific, adverse impact, as that term is defined in  
36 subparagraph (A) of paragraph (1) of subdivision (j) of Section  
37 65589.5, upon the public health or safety and there is no feasible  
38 alternative method to satisfactorily mitigate or avoid the adverse  
39 impact.

1 (C) Objective building standards contained in the California  
2 Building Standards Code (Title 24 of the California Code of  
3 Regulations), including, but not limited to, building, plumbing,  
4 electrical, fire, and grading codes, may be applied to all  
5 modifications.

6 (4) The local government’s review of a modification request  
7 pursuant to this subdivision shall be strictly limited to determining  
8 whether the modification, including any modification to previously  
9 approved density bonus concessions or waivers, modify the  
10 development’s consistency with the objective planning standards  
11 and shall not reconsider prior determinations that are not affected  
12 by the modification.

13 (h) (1) A local government shall not adopt or impose any  
14 requirement, including, but not limited to, increased fees or  
15 inclusionary housing requirements, that applies to a project solely  
16 or partially on the basis that the project is eligible to receive  
17 ministerial or streamlined approval pursuant to this section.

18 (2) A local government shall issue a subsequent permit required  
19 for a development approved under this section if the application  
20 substantially complies with the development as it was approved  
21 pursuant to subdivision (c). Upon receipt of an application for a  
22 subsequent permit, the local government shall process the permit  
23 without unreasonable delay and shall not impose any procedure  
24 or requirement that is not imposed on projects that are not approved  
25 pursuant to this section. Issuance of subsequent permits shall  
26 implement the approved development, and review of the permit  
27 application shall not inhibit, chill, or preclude the development.  
28 For purposes of this paragraph, a “subsequent permit” means a  
29 permit required subsequent to receiving approval under subdivision  
30 (c), and includes, but is not limited to, demolition, grading,  
31 encroachment, and building permits and final maps, if necessary.

32 (3) (A) If a public improvement is necessary to implement a  
33 development that is subject to the streamlined, ministerial approval  
34 pursuant to this section, including, but not limited to, a bicycle  
35 lane, sidewalk or walkway, public transit stop, driveway, street  
36 paving or overlay, a curb or gutter, a modified intersection, a street  
37 sign or street light, landscape or hardscape, an above-ground or  
38 underground utility connection, a water line, fire hydrant, storm  
39 or sanitary sewer connection, retaining wall, and any related work,  
40 and that public improvement is located on land owned by the local

1 government, to the extent that the public improvement requires  
2 approval from the local government, the local government shall  
3 not exercise its discretion over any approval relating to the public  
4 improvement in a manner that would inhibit, chill, or preclude the  
5 development.

6 (B) If an application for a public improvement described in  
7 subparagraph (A) is submitted to a local government, the local  
8 government shall do all of the following:

9 (i) Consider the application based upon any objective standards  
10 specified in any state or local laws that were in effect when the  
11 original development application was submitted.

12 (ii) Conduct its review and approval in the same manner as it  
13 would evaluate the public improvement if required by a project  
14 that is not eligible to receive ministerial or streamlined approval  
15 pursuant to this section.

16 (C) If an application for a public improvement described in  
17 subparagraph (A) is submitted to a local government, the local  
18 government shall not do either of the following:

19 (i) Adopt or impose any requirement that applies to a project  
20 solely or partially on the basis that the project is eligible to receive  
21 ministerial or streamlined approval pursuant to this section.

22 (ii) Unreasonably delay in its consideration, review, or approval  
23 of the application.

24 (i) (1) This section shall not affect a development proponent's  
25 ability to use any alternative streamlined by right permit processing  
26 adopted by a local government, including the provisions of  
27 subdivision (i) of Section 65583.2.

28 (2) This section shall not prevent a development from also  
29 qualifying as a housing development project entitled to the  
30 protections of Section 65589.5. This paragraph does not constitute  
31 a change in, but is declaratory of, existing law.

32 (j) The California Environmental Quality Act (Division 13  
33 (commencing with Section 21000) of the Public Resources Code)  
34 does not apply to actions taken by a state agency, local government,  
35 or the San Francisco Bay Area Rapid Transit District to:

36 (1) Lease, convey, or encumber land owned by the local  
37 government or the San Francisco Bay Area Rapid Transit District  
38 or to facilitate the lease, conveyance, or encumbrance of land  
39 owned by the local government, or for the lease of land owned by  
40 the San Francisco Bay Area Rapid Transit District in association

1 with an eligible TOD project, as defined pursuant to Section  
2 29010.1 of the Public Utilities Code, nor to any decisions  
3 associated with that lease, or to provide financial assistance to a  
4 development that receives streamlined approval pursuant to this  
5 section that is to be used for housing for persons and families of  
6 very low, low, or moderate income, as defined in Section 50093  
7 of the Health and Safety Code.

8 (2) Approve improvements located on land owned by the local  
9 government or the San Francisco Bay Area Rapid Transit District  
10 that are necessary to implement a development that receives  
11 streamlined approval pursuant to this section that is to be used for  
12 housing for persons and families of very low, low, or moderate  
13 income, as defined in Section 50093 of the Health and Safety Code.

14 (k) For purposes of this section, the following terms have the  
15 following meanings:

16 (1) “Affordable housing cost” has the same meaning as set forth  
17 in Section 50052.5 of the Health and Safety Code.

18 (2) “Affordable rent” has the same meaning as set forth in  
19 Section 50053 of the Health and Safety Code.

20 (3) “Department” means the Department of Housing and  
21 Community Development.

22 (4) “Development proponent” means the developer who submits  
23 an application for streamlined approval pursuant to this section.

24 (5) “Completed entitlements” means a housing development  
25 that has received all the required land use approvals or entitlements  
26 necessary for the issuance of a building permit.

27 (6) “Locality” or “local government” means a city, including a  
28 charter city, a county, including a charter county, or a city and  
29 county, including a charter city and county.

30 (7) “Moderate income housing units” means housing units with  
31 an affordable housing cost or affordable rent for persons and  
32 families of moderate income, as that term is defined in Section  
33 50093 of the Health and Safety Code.

34 (8) “Production report” means the information reported pursuant  
35 to subparagraph (H) of paragraph (2) of subdivision (a) of Section  
36 65400.

37 (9) “State agency” includes every state office, officer,  
38 department, division, bureau, board, and commission, but does not  
39 include the California State University or the University of  
40 California.

1 (10) “Subsidized” means units that are price or rent restricted  
2 such that the units are affordable to households meeting the  
3 definitions of very low and lower income, as defined in Sections  
4 50079.5 and 50105 of the Health and Safety Code.

5 (11) “Reporting period” means either of the following:

6 (A) The first half of the regional housing needs assessment  
7 cycle.

8 (B) The last half of the regional housing needs assessment cycle.

9 (12) “Urban uses” means any current or former residential,  
10 commercial, public institutional, transit or transportation passenger  
11 facility, or retail use, or any combination of those uses.

12 (l) The department may review, adopt, amend, and repeal  
13 guidelines to implement uniform standards or criteria that  
14 supplement or clarify the terms, references, or standards set forth  
15 in this section. Any guidelines or terms adopted pursuant to this  
16 subdivision shall not be subject to Chapter 3.5 (commencing with  
17 Section 11340) of Part 1 of Division 3 of Title 2 of the Government  
18 Code.

19 (m) The determination of whether an application for a  
20 development is subject to the streamlined ministerial approval  
21 process provided by subdivision (c) is not a “project” as defined  
22 in Section 21065 of the Public Resources Code.

23 (n) It is the policy of the state that this section be interpreted  
24 and implemented in a manner to afford the fullest possible weight  
25 to the interest of, and the approval and provision of, increased  
26 housing supply.

27 (o) This section shall remain in effect only until January 1, 2026,  
28 and as of that date is repealed.

29 ~~SEC. 3.~~

30 *SEC. 4.* No reimbursement is required by this act pursuant to  
31 Section 6 of Article XIII B of the California Constitution because  
32 a local agency or school district has the authority to levy service  
33 charges, fees, or assessments sufficient to pay for the program or  
34 level of service mandated by this act or because costs that may be  
35 incurred by a local agency or school district will be incurred  
36 because this act creates a new crime or infraction, eliminates a  
37 crime or infraction, or changes the penalty for a crime or infraction,  
38 within the meaning of Section 17556 of the Government Code, or

- 1 changes the definition of a crime within the meaning of Section 6
- 2 of Article XIII B of the California Constitution.
